

Newhall Needs You!

Here's where you can contribute!

Newhall Work Days. We typically schedule one Saturday work day each month. We meet in the parking lot and spend 90 minutes or so mowing, trimming trails, and culling invasive vegetation. Please join us!

Newhall Trail Monitors. Our trail monitors check the trails weekly, identifying any fallen trees for our resident lumberjacks. Easy duty. Sign up today!

"At Large" Volunteers: Give guided tours, make birdhouses, tend the pollinator gardens, monitor review sites, etc.! What's your gift? We can use it!!!

If you can help, contact Newhall Chair, Bob Clemens at (317) 989-5777 or rclemens318@gmail.com.
