Mission Statement

To be a leading voice for birds and conservation in the LowCountry, where people and nature thrive together.

Project or position

Field Trip Committee Needs Volunteers!

The Field Trip Committee would like to offer more frequent and more diverse field experiences. Looking for volunteers to lead or host any events.

Tasks

Bi-monthly Field Trips: We like to schedule one “local” field trip and one more “distant” field trip each month, but need more leaders. You need NOT be an expert birder, just someone willing to organize the group. If you have a favorite spot you would like to share with others, speak up!

Special Needs Field Trips: We would like to schedule field trips for people with special needs (wheelchair bound, hearing or sight impaired, etc.) We need someone to contact people and organize the events. If you can help, contact Lynn Hodgson at Hodgson.lynn@aol.com

New ideas: Got ideas for an outdoor social event, an art appreciation event, a picnic, etc.? Volunteer!
